Introduction

Why introduce a CaseTrust Accreditation for Spa and Wellness Businesses?

The Singapore Spa industry is a relatively new industry in Singapore. It has grown rapidly in the last decade to become a sizable industry in Singapore. Growing organically to cater to the increasing need for wellness by Singaporeans, the industry now serves both locals and tourists.

As in other tourism destinations, the spa industry is a rapidly growing industry in response to the increasing need of the world population for wellness and relaxation.

What is CaseTrust Accreditation for Spa and Wellness Businesses?

The CaseTrust Accreditation for Spa and Wellness Businesses has been developed with specific criteria tailored for the spa and wellness industry. The primary objective is to instil consumer confidence for this sector through good business and fair trading practices.

Spa and Wellness businesses that are accredited wear their trustworthiness with a decal that is displayed in their premises.

What can consumers expect from a CaseTrust Accredited Spa and Wellness Business?

A Spa Operator who achieves the CaseTrust for Spa and Wellness Businesses is certified as a business that possesses the foundation for good sales practices and standards. The business will have in place the following policies and practices:

Protection for Prepayment

Consumers who made prepayment can be assured that the value of their un-utilized balance will be protected, with documentation and real-time verification of their coverage provided.

5-Days Cooling-Off Period

Consumers enjoy a cooling-off period of at least 5 working days to seek full refund of payments made if they do not wish to proceed with the services offered. The 5-day cooling-off period offers recourse for consumers who have been pressured into signing up. For avoidance of doubt, this cooling-off period is not applicable for single/trial session whereby the treatment have been utilised.

Stress-Free Treatment

When patronising CaseTrust accredited spas, consumers can be assured of relaxing and stress-free treatments because of a 'No Selling' policy once enter the treatment room.

Clear Fee Policies

Clearly articulated and documented policies on fees and fee refund. These must be fully disclosed to their customers and adhered to according to the terms and conditions of the contract between the business and customers.

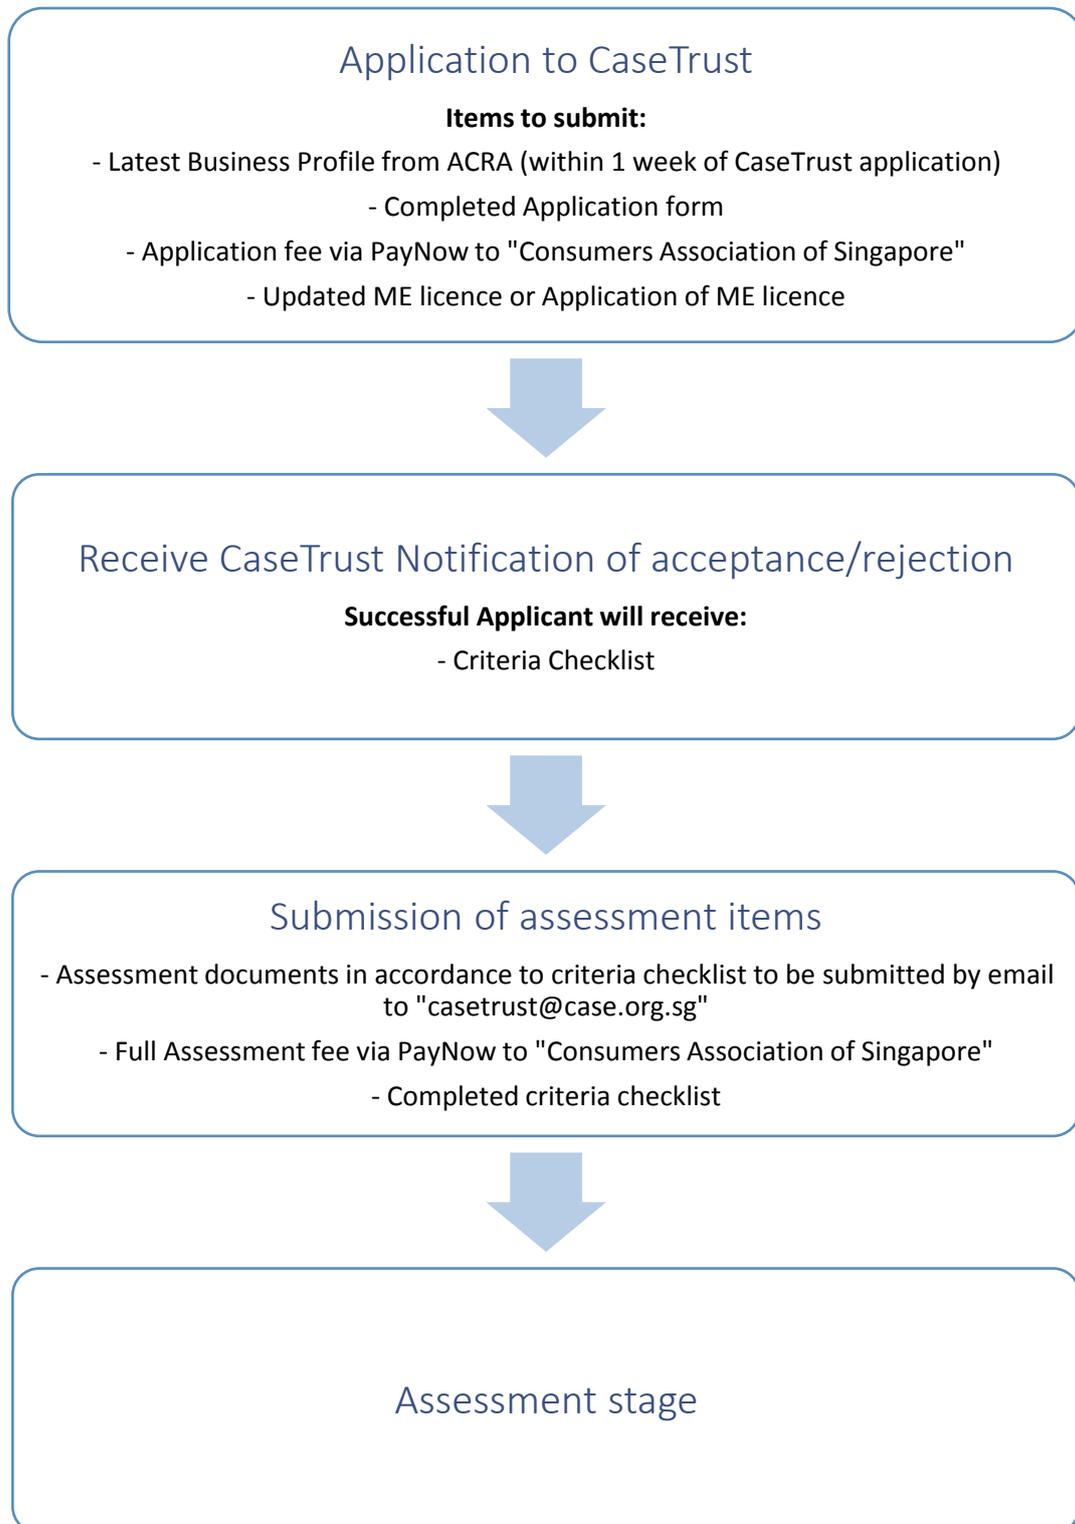

Well-Defined Business Practices and Systems

Besides good business practices and systems, there should be a redress system with proper and clearly defined dispute resolution mechanisms for the business and customers.

Well-Trained Personnel

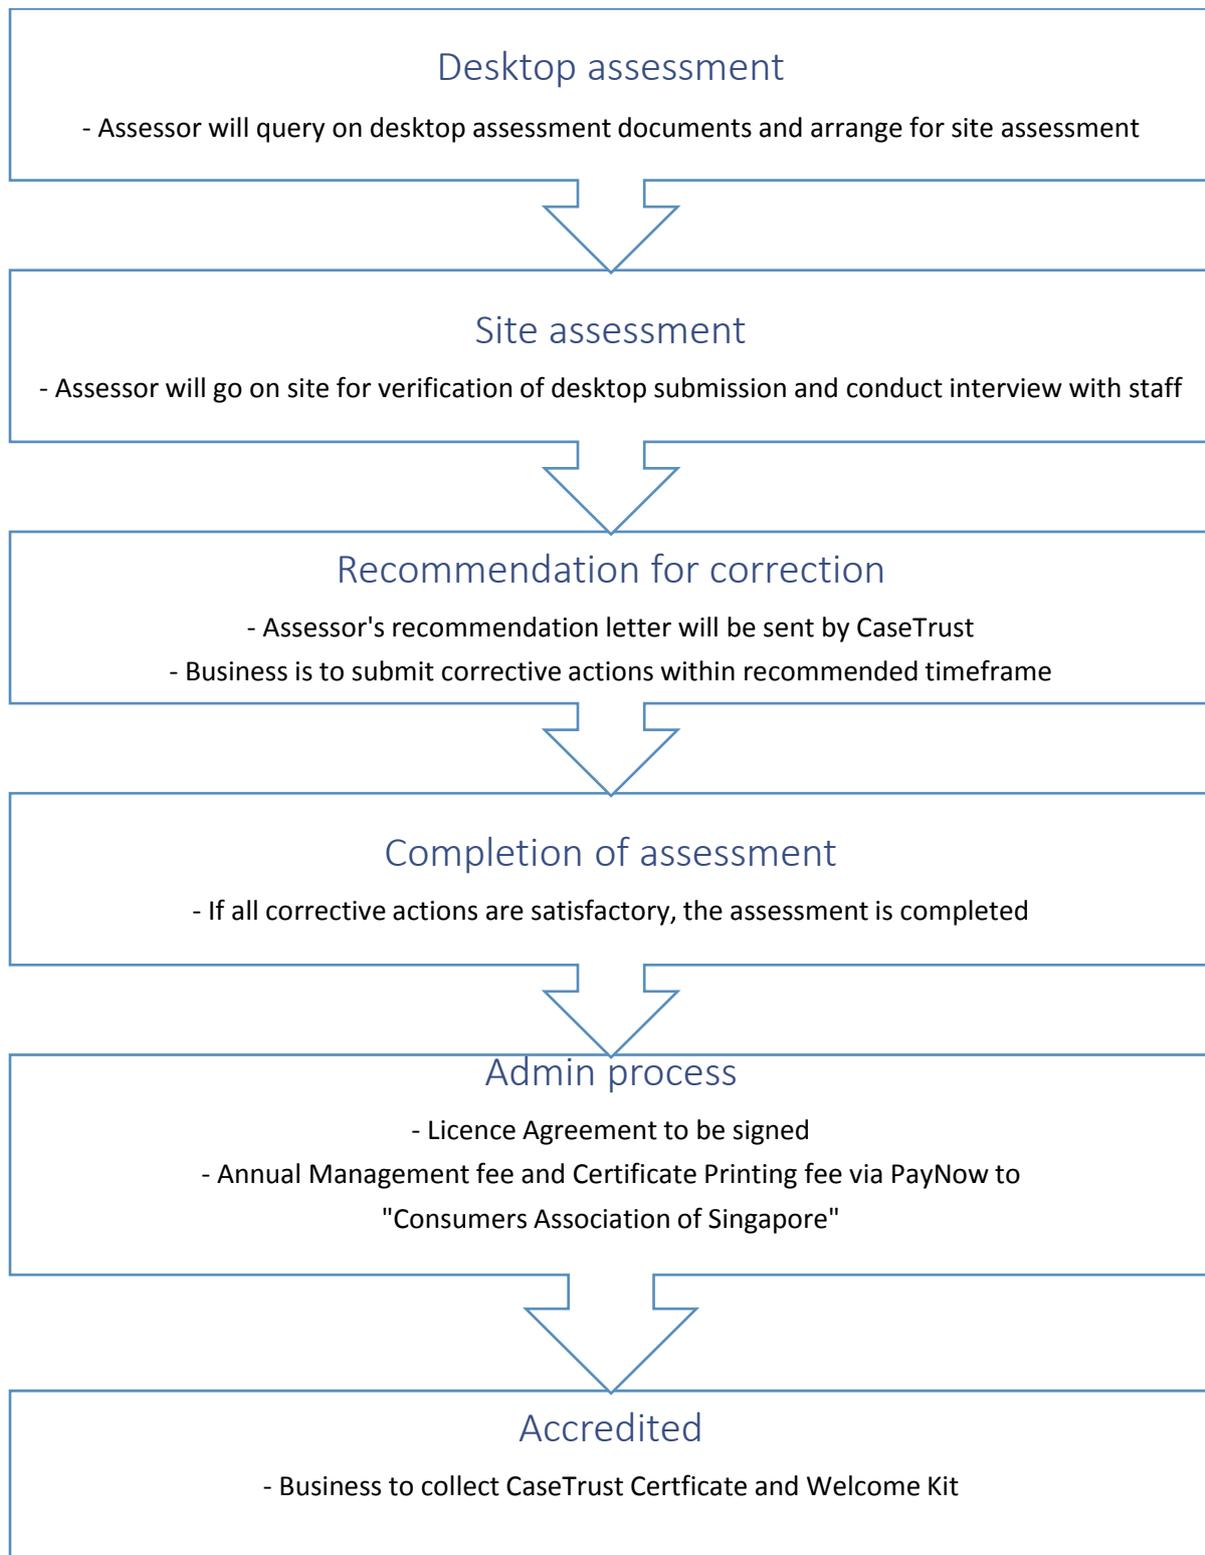

The business must ensure that it has trained sales staff who do not practice unethical sales tactics and are able to provide good customer service.

CaseTrust Application Stages

Note: The application will be considered Null & Void if complete set of required assessment items are not submitted within 6 months from date of application.

CaseTrust Assessment Stages

Note: It will take around 3-4 months from the date applicant commences the assessment stage (through submission of all required assessment items) to complete the accreditation assessment process.

CaseTrust Criteria for Spa & Wellness Businesses
